

Issues

- Incomplete bicycle network in the study area
- Cut-through traffic
- Speeding

Bicycle Network

- On-Street Bicycle Lanes
- - - Shared Streets (Sharrows)

Corridor with Speed or Traffic Control Compliance Issues (Cut-Through Traffic Concerns Highest in these Corridors)

Corridor with Multimodal Access Demand

Opportunities

- Improve access to Hamilton Recreation Center
- Create bicycle connections with contraflow bicycle lanes on Buchanan Street
- Traffic calming along Emerson Street, Varnum Street, and Illinois Avenue (Note - DDOT is in the process of installing a HAWK signal at Emerson and Georgia)
- Green infrastructure opportunities on Rock Creek Church Road
- Generally throughout the area: traffic calming
